植物のなかま(2)②

クラス _____ 氏名 _____

◆コケ植物

The diagram illustrates the life cycle and morphology of mosses. On the left, **ゼニゴケ** (leafy moss) is shown with a gametophyte (3) and a sporophyte (4) growing from it. A magnified view (2) shows the capsule and operculum. On the right, **スギゴケ** (stem moss) is shown with a gametophyte (8) and a sporophyte (9) growing from it. A magnified view (6) shows the capsule and operculum. Labels 1, 5, and 7 are also present.

① _____

② _____

③ _____

④ _____

⑤ _____

ゼニゴケ

⑥ _____

⑦ _____

⑧ _____

⑨ _____

⑩ _____

スギゴケ
